Questions to Ask During an Interview

Feel free to ask questions about:

- The training schedule and activities
- Career advancement possibilities
- The salary and benefits.
- Housing and community life in the city where the job is located.
- The cost of living.
- Educational opportunities.

Questions to ask yourself during/after your visit

- What is the actual physical environment like?
- Do the employees seem content? What is employee moral like?
- How open are they?
- Do they seem to like one another?
- How do they work together?
- How do various levels of management seem to interact with one another?
- What is the employee population like (men, women, young, old, minorities)?
- How often do people advance within the division?
- Does age sex or race seem to make a difference in promotion?
- What opportunities are there for creativity? Flexibility? Friendship?
- What pressures seem to exist?
