FUND HISTORY

AACUC began a Pete Crear Fund in 2004 through the National Credit Union Foundation's Community Investment Fund. Now, AACUC will continue this successful campaign by partnering with WOCCU to increase the impact of Pete's career and to benefit more people through credit unions around the world.

Please join us in making a fully U.S. tax-deductible donation to the Pete Crear Fund. Your gift will be shared by both AACUC and WOCCU and be recognized by both. AACUC's share will benefit its financial literacy, minority internships and small credit union development programs. WOCCU's share will benefit credit union development programs in Africa and training for African credit union leaders.

Join us in giving Pete the ultimate honor and show him he is leaving the industry in good hands! Donate today with the form here or at www.woccu.org/give. Please be sure to type "Pete Crear" in the comments box.
