SIGNATURE PROGRAMS

PETE CREAR SCHOLARSHIP

This scholarship awards qualifying individuals with financial assistance to aid in the pursuit of higher education. Individuals qualifying for these scholarships are professionals or volunteers and must be members of AACUC.

Interns participating in AACUC's *Reaching Toward the Future Internship Program* are eligible, as well as any junior or senior enrolled in an accredited college or university.

FINANCIAL REALITY FAIR FOR TEENS

AACUC introduces teens to the importance of making wise spending and saving choices. Students experience the opportunity to explore the role that money plays in achieving personal goals throughout life. They develop planning, goal-setting and thoughtful decision-making skills that will help protect themselves from the unexpected pitfalls that plague so many adults. After completion of AACUC's Financial Reality Fair, students say they are more confident in their ability to manage and control their finances.

INTERNSHIP

The Reaching Toward the Future Internship Program is an exciting program for college juniors and seniors sponsored by AACUC. This program was developed to promote awareness and opportunities for minority students attending colleges and universities on the benefits of working in a credit union environment. It is the goal of this program that the students will gain enough practical experience within a credit union that they will be able to apply for staff positions in credit unions upon graduation.

MENTORSHIP

AACUC has partnered with the World Council of Credit Unions' (WOCCU) Distinguished Educator Program to provide internship opportunities to mentor credit unions in the United States and Africa by offering strategic planning, collections, and reconciliations.

YOUNG PROFESSIONALS SUMMIT

AACUC's Young Professionals Summit (YPS) is specifically designed to engage and energize young professionals, 40 and under in the credit union industry, looking to make a difference in the credit union movement. The summit occurs during the Annual Conference.
